

How to Start a Meeting

or Change Existing Meeting

- A group representative attends a Lambda South Board meeting and requests specific time(s) and meeting space that will not conflict with the master schedule.
- All new groups must be comprised of a steering committee consisting of not less than three trusted servants who commit to the responsibility of that meeting for a minimum of three months. We ask that you collect 10 names of individuals who are interested in regularly attending the new meeting.
- All groups must adhere to the Lambda South Bylaws as well as the Code of Conduct.
